PRESS RELEASE

Date: 5/31/2016
Re: MADD Award Recipients

On 5/24/2016, Officer Marilisa Anania and Officer Michael Williams both received awards at the annual Connecticut Mother's Against Drunk Driving (MADD) reception held at Central Connecticut State University. Both officers excelled at DUI enforcement this past year and were recognized for their dedication to traffic safety at this event.

According to the National Highway Traffic and Safety Administration (NHTSA), a person is injured in a drunk driving crash every two minutes and about 27 people die as a result of drunk driving crashes daily. These officers and the Guilford Police Department make DUI enforcement a priority, with the goal of preventing future injuries and/or deaths related to DUI crashes. With the summer rapidly approaching, the Guilford Police Department wishes to remind all drivers to operate their vehicles safely.
