**Warren H. Hyatt, Jr.**  
Deputy Chief of Police

On 12/27 and 12/28/18 the Guilford Police Department responded to a number of complaints of attempted and completed daytime residential burglaries in the neighborhoods of New England Road and High Meadow Road. At one location a home surveillance camera captured the suspect in the act.

On 12/28/18 a still image of the suspect taken from the video was released to the media and posted on the Guilford Police Facebook page. Almost immediately after posting the suspects image to Facebook, Guilford residents began to contact the department with critical information that not only helped to identify the suspect and his vehicle, but resulted in the recovery of some of the property that was stolen.

At this time charges are pending for the suspect, who is also wanted in connection with a number of similar crimes throughout surrounding shoreline communities.

The Guilford Police Department would like to take this opportunity to thank all the citizens that took the time to respond to our request for information. Your community commitment, cooperation and assistance helps us to keep our community safe.

The Guilford Police Department would also like to remind the Guilford community that if you see something unusual or suspicious to say something - by reporting the activity to the Guilford Police Department as soon as possible, no matter how insignificant it may seem.
